

Nikita & Baby Isabel

# Saving lives. Sparing hearts. *Sharing the Gospel.*

“ When I saw the ultrasound, I watched in awe. I saw a small circle that was already a baby in the making! I immediately felt tears well in my eyes. It’s a real thing; it’s a real LIFE! ... Today, that ‘small circle’ is 18 months old and the best thing that has happened to me! ”

- *Nikita*
