## OUR crisis

The first part of John 10:10 highlights the sobering reality of the world we live in. Death, the ultimate thief, is increasing in the U.S. as abortion rates rise. A report<sup>1</sup> released in 2024 shared that more than one million babies were aborted in 2023—the highest rate in more than a decade. Although legislation in many states has made abortions more difficult to access, states without bans have seen an increase—and this only accounts for those we know about. With abortion pills accessible by mail, women now have access to abortion 24/7, even in the states where abortion is considered banned.

## OUR ministry

Crisis Pregnancy Center of Tidewater (CPC) is a Christ-centered, non-profit organization that helps women and families navigate the fears that come with an unplanned pregnancy so that they can choose LIFE with confidence. CPC exists to save lives, spare hearts, and spread the gospel of Jesus Christ here in South Hampton Roads.

The thief comes only to steal and kill and destroy.

I CAME THAT THEY MAY HAVE LIFE AND HAVE IT

ABUNDANTLY.

John 10:10 ESV
